**Senator Andy Dinniman**

Voting is vital to the health of our democracy, so we should make it as easy as possible for eligible voters to cast their ballots. With that in mind, Pennsylvania has launched a new online voter registration system

that allows citizens to register to vote, as well as change name, party, address or registration, by simply logging onto [www.register.votespa.com](http://www.register.votespa.com). It will only take a few minutes, but it is a big step toward becoming active in civic life.

If you have any questions or don't receive your voter registration card, call my office at 610-692-2112.
