

Who We Are

The Community Warehouse Project is a Chester County, PA based, non profit 501(c)(3). CWP is a service organization that collects and redistributes donated furniture and other household items to individuals and families in need within the county. It is generally a one-time, free service to pre-screened recipients, supported through the generosity of those within our community.

Who We Serve

Individuals and families who are referred to CWP by charitable partners, public agencies, other non-profit entities, communities of faith as well as through private referrals. All recipients are pre-screened for need.
