We are seeking \$200,000 from the Chester County Department of Community Development to repair 30 homes in southern Chester County in 2027. We expect to receive a decision about this funding in January 2027. If you become aware of homeowners in your jurisdiction who need critical home repairs and may qualify as low income (<60% or less of the Average Median Income), please have them contact us at 610-444-1860 or go to our website at www.goodneighborshomerepair.org.

Thank you!
