

**SPRING CITY BOROUGH, CHESTER COUNTY  
CODE ENFORCEMENT / ZONING OFFICER  
JOB DESCRIPTION AND DUTIES**

The Code Enforcement Officer performs a variety of routine and complex work in the interpretation and enforcement of adopted codes, ordinances, and related rules and regulations relating to zoning, land use, building codes, health and safety, blight, and other matters of public concern; as well as, serves as a resource and provides information on Borough regulations to property owners, residents, businesses, and others that may inquire. Position is under the general guidance and direction of the Borough Manager and Borough Council.

In summary, the position ensures the compliance of zoning related ordinances, public nuisance abatements, building codes, property maintenance, abandoned and inoperable vehicles and other related duties.

Duties and Responsibilities:

- Enforce Borough codes not primarily enforced by the Police Department.
- Perform systematic site inspections of properties and building structures to ensure compliance with all applicable Borough codes and regulatory requirements; enforce all aspects of Borough codes and ordinances.
- Coordinate with Building Inspectors, Borough Engineer, Police Chief, Fire Chief and other departments as necessary to secure compliance with Borough codes when enforcement becomes necessary.
- Write letters for enforcement for any Borough Code violations; issue the necessary citations for non-compliance.
- Issue Zoning, Sidewalk, Driveway, Street Opening, Dumpster, and Sign Permits.
- Determine if variances are needed, coordinate with Zoning Hearing Board and or Planning Commission.
- Attend all hearings for ordinance violations; schedules hearings for matters pertaining to the Zoning Hearing Board and Planning Commission.
- Provides detailed monthly reports to the Borough Manager.

Knowledge, Skills, and Abilities:

- Knowledge of code enforcement principles, practices, and methods applicable to local government; working knowledge of applicable laws, standards and regulations relating to various land use, nuisance and public safety codes.
- Knowledge of local laws, rules, ordinances and regulatory standards applicable to code enforcement work and responsibilities.
- Ability to read and interpret building plans, specifications and building codes.
- Ability to apply technical knowledge and follow proper inspection techniques to determine whether structures should be considered for condemnation.
- Knowledge of record keeping, report preparation, filing methods and records management techniques.
- Ability to understand and utilize zoning maps, land use maps, plat maps and other documents related to real property.

- Ability to effectively communicate, both orally and in writing, and to advise on standard compliance methods.
- Ability to establish and maintain effective working relationships with those contacted in the course of work, including other city departments and outside agencies.
- Ability to organize work, establish priorities, meet established deadlines, and follow up on assignments with a minimum direction.
- Ability to show courtesy, tact and sensitivity to individual differences when dealing with people who are hostile, difficult and/or distressed.
- Ability to use personal computer.
- Ability to perform work with minimum supervision.
- Ability to independently prepare routine correspondence and memorandums.
- Ability to understand and follow written and oral instructions.

Minimum Qualifications:

High School Diploma or GED equivalent.

Two years of municipal or similar code enforcement experience.

Pennsylvania Zoning Certification or ability to obtain certification.

Valid Pennsylvania driver's license; acceptable driving record for the past three years.

*UCC Certification and Commonwealth of Pennsylvania BCO License not required but will be considered for possible BCO designation and responsibilities.*

Physical Demands:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with ADA disabilities to perform the essential functions.

Work is performed mostly in field settings. Considerable outdoor work is required in the inspection of various land uses and other matters. Hand-eye coordination is necessary to operate computers and various pieces of office equipment.

While performing the duties of this job, the employee is occasionally required to stand, walk, talk, or hear; use hands, and operate tools. The employee is occasionally required to sit, climb, stoop, crouch, or crawl. The employee must occasionally lift and/or move up to 50 pounds.
